Our History

Al-Oumara Bakery and Pastry, founded in **1970**, is a family-owned business established by Mr. Kazem Ibrahim and his sons. It is specialised in producing different variations in bread; from traditional Lebanese bread to European breads, as well as all kind of pastries and sweets.

We always strive to work within international standards and proud to be the holder of the **Golden Europe award** for quality. **Al-Oumara** Bakery and Pastry is supervised by owners that utilise their knowledge, experience and passion in order to create appetising products.

Califood Co., founded in **2004** by one of the sons, is the leading vision in the world of bakery. It has its mindset on shifting consumers' habits towards eating healthy bakery products. Since its inception, **Califood Co.** has been serving its customers' needs with the best quality and service in several distinct markets. It has proven to be a leading manufacturer and marketer of value-added and nutritious fresh bakery products, including toasts, rice cakes, crackers, kaak, flakes, seeds...

It sells its products to all type of customers in the food sector, including and not limited to: class A market, pharmacies, gourmet shops, gymnasiums and hospitals.

In addition, we certainly sell our products abroad and we already cover all the **MENA region** (UAE, GCC Market, Africa, Jordan and Amman). Distribution abroad is conducted through dealers.

This family business follows today the steps of its founder, Mr. Kazem Ibrahim, a proven autodidact, and selects only the finest products from over the world.

Al-Oumara Bakery and Pastry and **Califood Co.** are both known as leaders in the F&B industry in Lebanon. As one entity, the two companies gave birth to a third company called **Global Foods**.

Global Foods owns the new store located on Khaldeh highway called **Al Forno**.

Al Forno is one of the biggest food stores in Lebanon. As said, it is located on the highway leading from Beirut to the South of Lebanon. Approximately **500,000** people take this highway daily, and we welcome around **3,000** customers every day.

To satisfy our customers' needs and expand our target market to attract as many clients as possible, we are offering them a wide variety of categories in one shop.

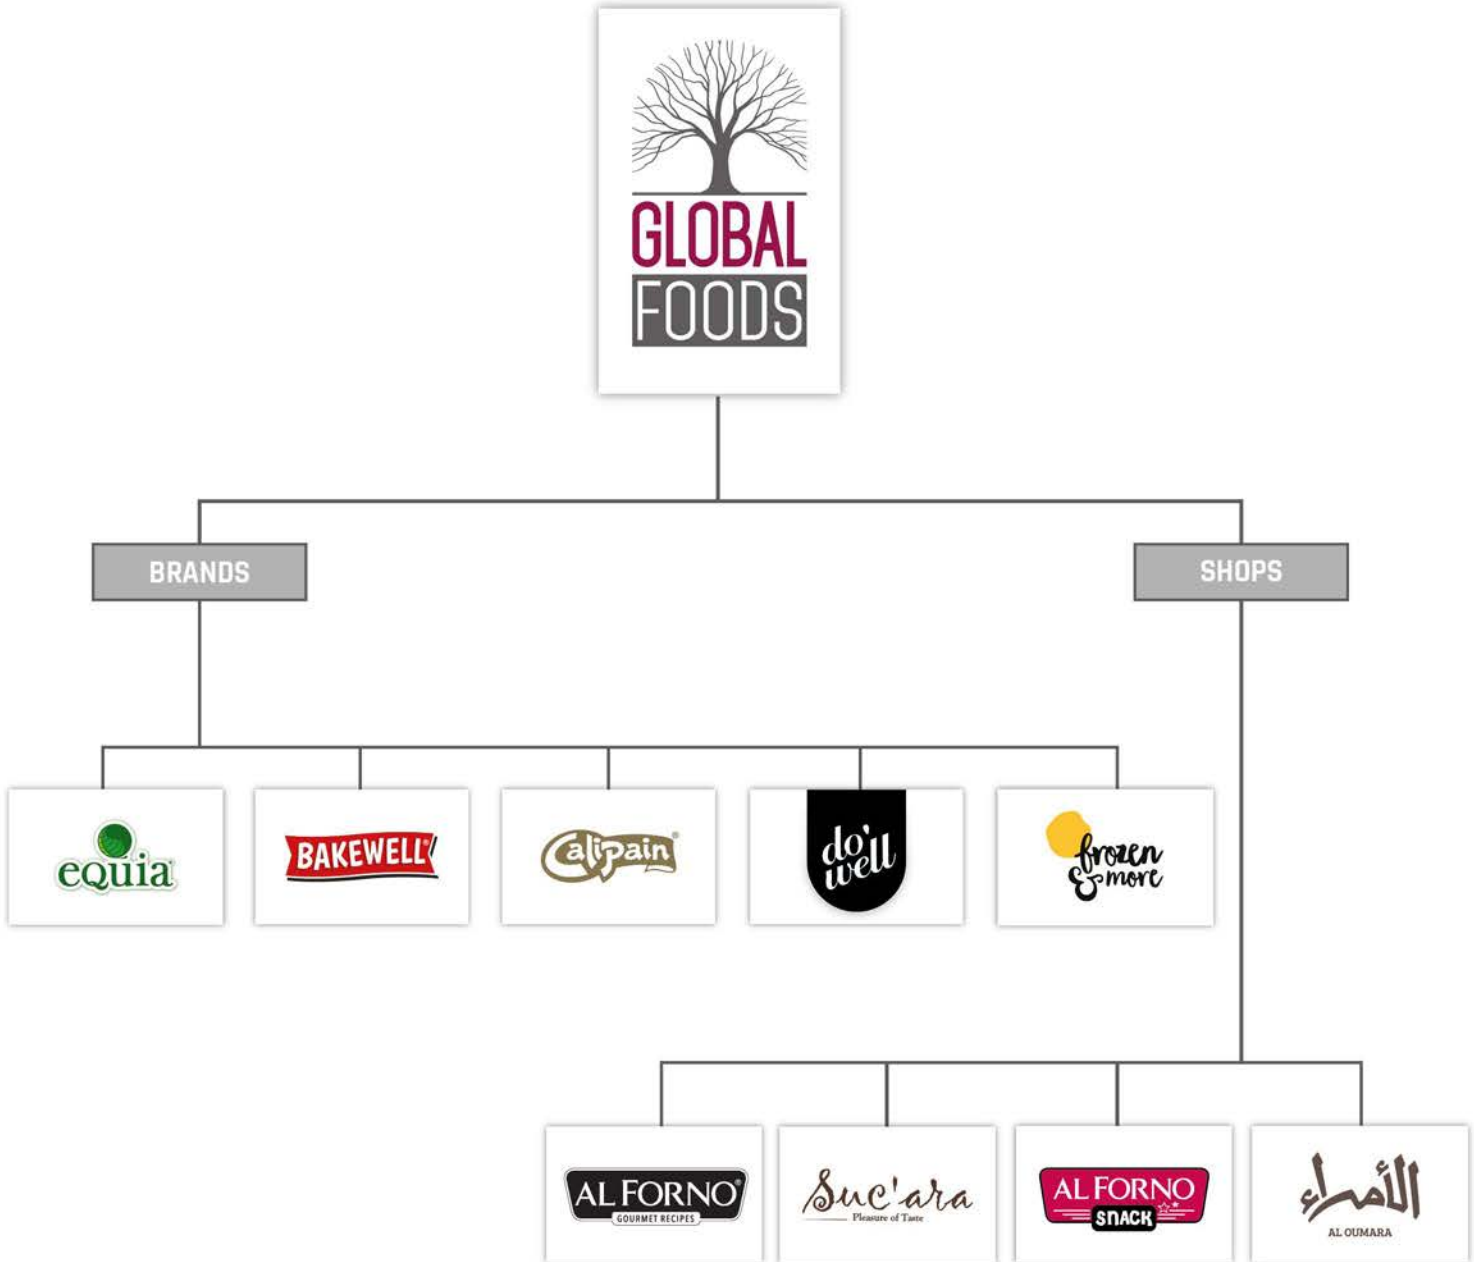

Our **Gourmet shop** is divided into different categories: Mouajanat, Sandwiches, Arabic Pastries, French Pastries, Pizzeria, Ice Cream, Juices, Butchery, Roastery, Bakery, Market and a wide range of Healthy Products.

Because of the Ibrahim's family's dedication to quality and excellence, our products are freshly baked daily in our factories that are located right under the showroom.

Al Forno factory (14,000m²) is constituted of **7 levels** of which 2 are underground and equipped with top industry equipments imported from all over the world.

Moreover, our personnel consists of experienced people prepared to stay up-to-date with continuous innovations. In our factories, we are proud to be very selective with our raw material to ensure production of best quality. Products are sold in our showroom and can also be found in supermarkets, pharmacies, mini markets, dietary shops...

To comply with food safety systems and international standards, we proudly hold the following **certificates: ISO 9001, ISO 22000 and IFS.**
